God is our hero!

‘Because this is what he has done. It is he who has rescued us from the ruling force of darkness and transferred us to the kingdom of the Son that he loves’ - Colossians 1:13

January's Event definitely lived up to the theme!

It was great to see everyone again at The Event and this month's was particularly special. The Event has proved again to not be your average youth prayer night. There was plenty of super hero fancy dress and a big game of pie face! It was students vs. adults and the result was pretty even. Even Sister Mary Jane from Crook got involved! Our very own Andrew Young was dressed as Superman and led the night as normal. He helped us to reflect on what it means to be a hero. How it means not just standing by when we see

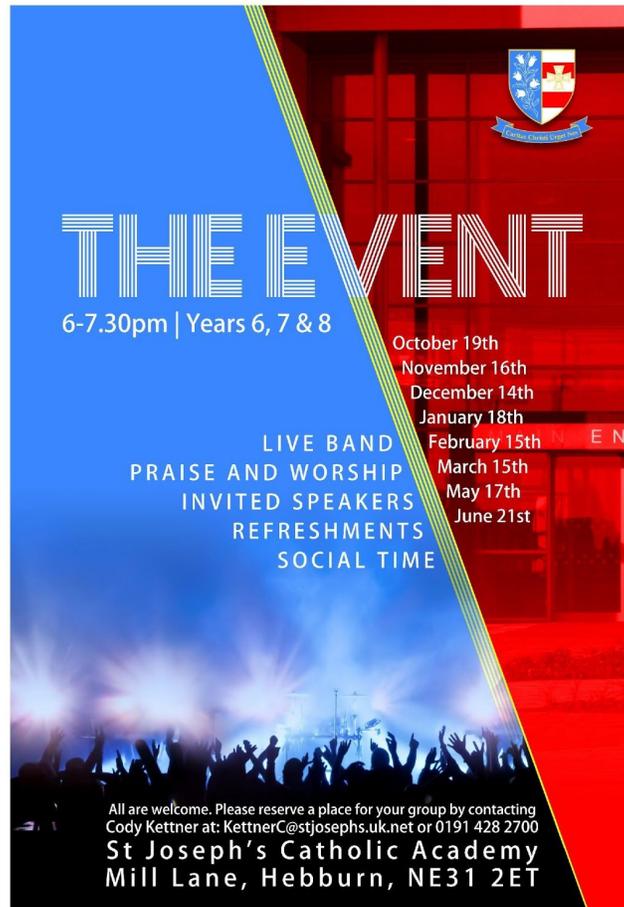

injustice, but rather getting involved. It means loving the excluded and outcast just as Jesus does.

Bridgid Duffy (YMT and CAFOD Gapper) shared with us her story of working in an orphanage in Bulgaria and the importance of love. She just finished University last year and has already spent a summer volunteering in Bulgaria, is on her second year volunteering for YMT and has just left to volunteer for 3 weeks in Ethiopia. We are so blessed that she could share her story with us and were so inspired by how she is living out her faith.

I am so thankful for all of you that are bringing young people to The Event and so grateful for the work that goes on to get them here. You are such an important part of The Event as it wouldn't happen without you. Thank you for your continued support and we hope to see you in February!

God Bless
