St. James RC VA Primary School, Hebburn School Sport Premium Breakdown and Impact – 2023/24

Objectives taken from the 2022/23 P.E. School Development Plan

Objectives

- 1. Monitor and support the delivery of the National Curriculum P.E. entitlement across the school and ensure the resources are of high standard to ensure that all pupils in each year group continue to receive at least two hours high quality P.E. a week within the school timetable.
- 2. To work with the outside providers and teachers to ensure the P.E. skills are developed progressively linked to the P.E. scheme of work, focusing on specific objectives that need to be improved in specific year groups.
- 3. To use specialist P.E. CPD weekly to improve teachers' own subject knowledge in PE and also their confidence in delivering PE lessons independently when needed. This is a key objective that will be actioned in Autumn 23 with Dominic Oliver from The foundation of Light.

2023/24 Targets

- 1. To ensure that PE is delivered to the highest possible standard despite the ongoing RAAC situation.
- 2. To ensure the assessment data is provided by SAFC and other outside providers at the end of each term and shared with pupils. This is something that needs to improve based on the previous two academic years.
- 3. To have a whole school focus on games skills linked to hitting and catching to ensure strong progression of skills throughout the school. Clear progression path from Reception to Year 6. This will in accordance with the Foundation of Light and the Trust progression maps.
- 4. To gradually introduce active learning into other subjects other than PE through Teach Active resources. This will be trialled in Year 5 and 6 to measure impact, before showing this to other teachers to have a go in their own class. CPD was attended by Mr Monaghan that shows the impact of this with research done.
- 5. To provide more competitive opportunities for children to compete in events held by School Sports Network.

 $\textbf{School Sport Premium} - \pounds18{,}110.00$

September 2023 - July 2024

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your students now and why? Use the space below to reflect on previous spend, identify current need and priorities for the future.

Key achievements to date: Taken from PE SDP

Areas for further improvement and baseline evidence of need:

Position at October 2023

Targets and timescales feedback:

- 1. Mr Monaghan has continued to manage the children for the mixed football team. They have been entered again into the Hebburn League against other teams from Hebburn. In the 3 seasons prior to the pandemic, St. James have won it twice and been runners up. The school had not won this league before, so the PE in school and the football matches outside of school have helped the children achieve these results. Our close links with Sunderland AFC Academy have been beneficial, with some children now playing for Sunderland in various age groups. The girls team is also back up and running after Covid.
- 2. P.E. planning, delivery, coverage scheme which linked progression of skills in P.E. is updated by the SAFC coach termly to ensure good coverage of skills and assessment is built into planning. This will also be in conjunction with the Trust documents.
- 3. Throughout the year each class will achieve the two-hour P.E. entitlement. This will be achieved with PE weekly and also the re-introduction of The Daily Mile post-Covid. There are also cross-curricular PE lessons that are taught in curriculum enrichment lessons. For example in Year 4, there are invasion games for the Romans topic.

- 1. To ensure the Primary Sport Premium 23/24 Funding is kept up to date on the school website and funds allocated correctly to ensure impact and continuity.
- 2. To ensure the assessment data is provided by SAFC and other outside providers at the end of each term and shared with pupils.
- 3. To have a whole school focus on games skills linked to hitting and catching to ensure strong progression of skills throughout the school. Clear progression path from Reception to Year 6.
- 4. To gradually introduce the Daily Mile into school for all children from Reception to Year 6, to promote the importance of regular exercise for the children in our school.
- 5. To ensure that the second summer term back at St James post-RAAC situation, is used to prepare us as much as possible to deliver PE to the highest standard again in September 24. Things like swimming need to be re-introduced after being putting on hold due to RAAC.

- 4. PE CPD as mentioned in the targets. Dominic Oliver to conduct a staff questionnaire to measure where to pitch this to staff.
- 5. PE equipment has been added to the PE cupboard. This was achieved by raising funds from having an Olympic athlete into school. Every child from Year 1 Year 6 completed a sponsored circuit with the athlete, David Guest. With the money raised, we were able to buy lots of equipment, ranging from pop-up football nets, an adjustable tennis/badminton net and tag rugby belts, to dodgeballs, softballs and a ball designed specifically for a visually impaired child previously in Year 6. The goal ball was bought as a result of a goal ball taster session in 2018 to promote Paralympic sports. New equipment has also been purchased in September 23 for the yard for each year group.
- 6. Years Six completed their Cycling Proficiency Parts 1 and 2.
- 7. Link Governor informed annually of current situation.
- 8. Sports Clubs after school have continued this year, where possible, and include outdoor games, athletics, invasion games and father and daughter club. All clubs are run by SAFC.
- 9. Pupil questionnaire has been completed to ensure new equipment for the playground is introduced to suit the interests of the children.
- 10. The school have started to enter teams into South Tyneside Sports Network events again post-pandemic, providing experience for the children in both non-competitive festivals and competitive competitions. The competitive competitions give the children the opportunity to qualify for the Tyne and Wear Games in various events.

- 11. As part of our membership with South Tyneside Sports Network, we are entitled to 12 hours free coaching. In the coming months, we aim to include cheerleading, tennis and netball as part of these hours.
- 12. We have attended various events in previous years at the Beacon of Light and we are starting to do this again post-pandemic. The SAFC team have hosted a variety of events ranging from football to multi-skills and have also hosted collapsed curriculum days for World Book Day and Nursery Rhyme Day, attended by our Year 6 and Reception children respectively.

| Meeting national curriculum requirements for swimming and water safety Note – Due to RAAC, swimming could not go ahead for the academic year from September 23 to July 24. Aim to introduce again from Sept 24. | Please complete all of the below: |
|---|-----------------------------------|
| What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your children may swim in another year please report on their attainment on leaving primary school. | NA |
| What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]? | NA |
| What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations? | NA |
| Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way? | NA |

Key performance indicator: The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary children undertake at least 30 minutes of physical activity a day in school.
