

## ST JAMES CATHOLIC PRIMARY SCHOOL, HEBBURN

13<sup>th</sup> September 2024

Dear Parents and Carers,

### Tapestry in Reception Class

I am writing today to offer a little information about Tapestry, which is the online education platform used at St James Catholic Primary School.

In Reception Class we use Tapestry as a way of recording your child's learning journey throughout the year. We post videos and photographs of your child engaging in various learning activities to share their learning with you at home. Tapestry also allows parents to upload videos and pictures from home so that you can share special events and learning that takes place at home. Learning journals are password protected and can only be accessed by those with log in details, e.g., parents and staff in school.

At the end of the academic year you have the option of creating a hard copy of your child's journal that you can treasure forever! Information about this can be found on the Tapestry website.

We also use tapestry for other communication purposes. For example, we may post reminders about school events or upload important school letters.

If you require any further information please do not hesitate to get in touch.

Yours sincerely

Ms Guthrie  
EYFS Lead
