

**ST JAMES CATHOLIC
PRIMARY SCHOOL, HEBBURN**

13th November 2024

Dear Parents and Carers

Healthy Smiles at St James

We are proud to have teamed up with Colgate this year to promote oral health in children. Your child will receive a toothbrush and toothpaste, alongside an informative leaflet around toothbrushing.

At St James we are a Healthy School and are championing a zero-cavity future for our children to work to end the world's most prevalent chronic disease: **tooth decay**. Left untreated, it can cause pain and discomfort, undermine self-esteem and quality of life, impact school attendance and more. We want to work together to create a school community of bright smiles and even brighter futures.

We hope you will support us and encourage good oral health at home.

Thank you for your support.

Kind Regards
